

Mr. Cooper's Prospective Alternate for the South Coast Regional Stakeholder Group is :

Mr. William A. McIntyre of San Clemente , CA

Retired , US Marine Corps Major (Pilot) 20 years service.

**University Adjunct Professor of Economics & Finance 20 yrs.
(University of Phoenix & National University)**

Mr. McIntyre has been recreationally diving / spearfishing since 1953 , during his Marine Corps career in Florida , North Carolina, California and Okinawa Japan. His initial diving experience in Southern California started in 1965 to 1967 , frequently beach diving in the Orange County area's & some boat dives at Catalina & San Clement Islands.

Mr. McIntyre has lived in San Clemente since 1975 and has extensive knowledge of the South Coast Study Region , from personal boat diving & spearfishing trips along the Orange & San Diego County coasts as well as numerous trips to Catalina & San Clement Islands ; with occasional trips to Santa Cruz , Santa Rosa and Anacapa Islands.

A non club affiliated diver , Mr. McIntyre has numerous contacts and friends in the South coast Study Area and is well known & respected especially among the non-club affiliated (consumptive) diver population .
